Keep your eye out for the return of the Water Trampoline! To add to our water activities, the Water Trampoline will be placed back out, in addition to a couple of new inflatable rafts available for rent. If that isn't enough fun, our guests will now receive a 25% discount on waterpark passes at the Soaring Eagle Waterpark and Hotel. And don't forget, use of their Hotel pool, Hot Tub and Sauna are Free!

Swim Safety :

July is likely to be our hottest month this year. Please make sure you're rinsing off after spending time in the lake. Showers are available for use in the bath house!

Killdeer recently sighted down the Dog Run Trail!

Weather Preparedness

June has brought with it plenty of storms this year. As such we would like to take this time to remind our guests to be careful when placing things in your lots. Canopies, awnings and tents can be pulled out of the ground, or torn straight off of their supports. Please make sure these are properly taken down and put away to avoid damage. In the event of tornado's and high winds, our bathhouse may be used as a shelter.
