

GREAT NEWS!

In accordance with CDC guidelines, if you are fully vaccinated against the virus that causes COVID – 19, you are no longer required to wear a mask or face covering.

We ask that all guests continue to use safe practices such as social distancing, hand washing, and the use of hand sanitizer.

If you feel ill, we ask that you take appropriate precautions before entering.

These continued safety practices are to ensure the well-being of all team members and guests.
